Correction: Drug therapy in cats: A systems approach

In the article, "Drug therapy in cats: A systems approach" (*JAVMA*, May 1, 1990, pp 1502-1511), on p 1505, the second sentence of the first full paragraph in the right-hand column should read, "Ketamine and diazepam. . .," not "Xylazine and diazepam. . ." The author regrets the error.
