Correction: *Salmonella enterica* shedding in hospitalized horses and associations with diarrhea occurrence among their stablemates and gastrointestinal-related illness or death following discharge

In the article “*Salmonella enterica* shedding in hospitalized horses and associations with diarrhea occurrence among their stablemates and gastrointestinal-related illness or death following discharge” (*J Am Vet Med Assoc* 2012;240:726–733), the study design in the structured abstract was stated incorrectly. This section should read, “retrospective cohort study.”
