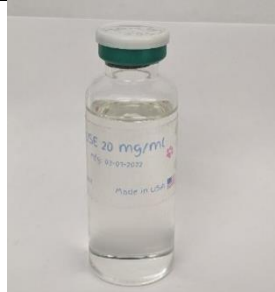

Figure S1 vial inventory

Photo and inventory of the GS-441524 vials obtained and the brands. For Oscar, Panda, Shire, and Trusted multiple vials were tested. For Karma, Seka, Rainbow, Valor, Lucky15 and Ohana/generic only one vial was tested. For Away FIP 1.8, Away FIP 1.6, Azul, Rose 15 mg/mL, Rose 20 mg/mL, and Capella only UV-vis absorbance spectra were done.
