

Supplementary Table S1—Mortality rate and contribution to overall mortality rate for institutions participating in a study of risk factors for death in dogs undergoing surgery for treatment of thoracic trauma.

	Total Case Contribution	Mortality Case Contribution	Institution Mortality Rate (%)	Overall Study Mortality Contribution (%)
Institution 1	48	7	14.6	30
Institution 2	42	4	9.5	17
Institution 3	26	3	11.5	13
Institution 4	17	4	23.5	17
Institution 5	13	4	31	17
Institution 6	7	1	14	4
Institution 7	4	0	0	0
