Supplementary Table S1—Websites that US based veterinarians (and others) may find useful for learning more about wildlife and biodiversity conservation nationally and internationally.

### A. SHORT TERM

**Plant pollinator and wildlife friendly plants and create habitats at your home and clinic.**
- 10 Ways to Save Pollinators ([https://blog.nwf.org/2021/06/10-ways-to-save-pollinators/](https://blog.nwf.org/2021/06/10-ways-to-save-pollinators/))
- Create a Wildlife Habitat ([https://www.nwf.org/garden](https://www.nwf.org/garden))
- Vet Sustain ([https://vetsustain.org/resources/page/2](https://vetsustain.org/resources/page/2))

**Perform a sustainability audit of your clinic, lab, or workspace and implement impactful green medicine practices.**
- Greener Veterinary Practice Checklist ([https://vetsustain.org/resources/vet-practice-checklist](https://vetsustain.org/resources/vet-practice-checklist))
- My Green Lab ([https://www.mygreenlab.org/](https://www.mygreenlab.org/))
- How to conduct an audit for workplace sustainability ([https://www.vergesense.com/blog/workplace-sustainability-audit#:~:text=A%20sustainability%20audit%20is%20a,and%20promoting%20improved%20sustainable%20measures.](https://www.vergesense.com/blog/workplace-sustainability-audit#:~:text=A%20sustainability%20audit%20is%20a,and%20promoting%20improved%20sustainable%20measures.))

**Learn how to engage in policy advocacy.**
- AVMA Governmental Relations Get Involved ([https://www.avma.org/advocacy/get-involved](https://www.avma.org/advocacy/get-involved))

**Contact the President and your Senators and Congress people and urge them to commit to biodiversity conservation policies.**
- Contacting U.S. Senators ([https://www.senate.gov/senators/senators-contact.htm](https://www.senate.gov/senators/senators-contact.htm))
- Contact the White House ([https://www.whitehouse.gov/contact/](https://www.whitehouse.gov/contact/))

**Contact your state’s governor and legislators and urge them to commit to biodiversity protection and implement biodiversity conservation policies.**
- Contact your state governor ([https://www.usa.gov/state-governor](https://www.usa.gov/state-governor))
- Contact your state legislators ([https://www.congress.gov/state-legislature-websites](https://www.congress.gov/state-legislature-websites))

**Work with local government to write biodiversity conservation policies into land use codes.**
- Contact your city, county, and town officials ([https://www.usa.gov/local-governments](https://www.usa.gov/local-governments))

**Urge AVMA leadership to adopt and advocate for more policies guiding best practices for biodiversity conservation, climate change, and sustainability.**
- AVMA Policies ([https://www.avma.org/resources-tools/avma-policies](https://www.avma.org/resources-tools/avma-policies))

**Get involved with your state veterinary medical association and urge them to advocate for biodiversity conservation, climate change, and sustainability.**
- Contact your state’s veterinary medical association ([https://www.avma.org/about/state-vmas](https://www.avma.org/about/state-vmas))

**Maintain active USDA accreditaton.**
### B. MEDIUM TERM

Learn how intergovernmental organizations are working on biodiversity and climate change and where you can get involved.

- Intergovernmental Science Policy Platform on Biodiversity and Ecosystem Services ([https://ipbes.net/](https://ipbes.net/))
- Intergovernmental Panel on Climate Change ([https://www.ipcc.ch/](https://www.ipcc.ch/))

Research biodiversity-, climate change-, and sustainability-focused organizations and get involved with their committees, research, and policy advocacy.

- Society for Conservation Biology ([https://conbio.org/](https://conbio.org/))
- Conservalional International ([https://www.conservation.org/act](https://www.conservation.org/act))
- Center for Large Landscape Conservation ([https://largelandsca pes.org/](https://largelandsca pes.org/))

Support student research projects integrating biodiversity conservation with other One Health priorities.

- Veterinary Summer Scholars Program (VSSP) ([https://vetmedbiosci.colostate.edu/dvm/learning-opportunities/veterinary-summer-scholars-program/](https://vetmedbiosci.colostate.edu/dvm/learning-opportunities/veterinary-summer-scholars-program/))
- CTSA One Health Alliance (COHA) ([https://www.ctsonehealthalliance.org](https://www.ctsonehealthalliance.org))

Get involved with climate change and planetary health organizations.

- Planetary Health Alliance ([https://www.planetaryhealthalliance.org/home-page](https://www.planetaryhealthalliance.org/home-page))

Ask your local wildlife rehabilitators how you might provide veterinary services.

- International Wildlife Rehabilitation Council ([https://theiwrc.org/](https://theiwrc.org/))

Volunteer with veterinary wildlife rescue organizations.

- Worldwide Vets ([https://www.worldwidevets.com/volunteer](https://www.worldwidevets.com/volunteer))
- AVERT ([https://vetsbeyondborders.org/program/avert/](https://vetsbeyondborders.org/program/avert/))
## C. LONGER TERM

Get involved in training opportunities with disaster training and response organizations.

- American Veterinary Medical Foundation Veterinary Medical Assistant Teams ([https://www.avmf.org/whatwedo/veterinary-medical-assistance-teams/](https://www.avmf.org/whatwedo/veterinary-medical-assistance-teams/))

Consider advanced training in relevant specialty and research areas through internships, residencies, PhD, and other professional degree programs.

- Veterinary Internship and Residency Match Program ([https://www.virmp.org/](https://www.virmp.org/))
